EXPERIENCE

3/2015 - Present INTERN - BUSINESS TECHNOLOGY FARM CREDIT MID-AMERICA

Louisville, KY

Process Improvement and Execution

- Managed the project portfolio of 26 summer interns working in functional areas including sales, finance, human resources, insurance, and credit analysis.
- Delivered recommendations on improving the Farm Credit Mid-America summer internship program, which were based on research, data analysis, and interviews across the organization.
- Implemented new systems for tracking intern project progress and performance.
- Provided instructional courses to summer interns on project management and public speaking.
- Coached three interns throughout the summer on a professional and personal level.
- At the conclusion of the internship, will present results of projects to the CEO, CIO, VP of Infrastructure and representatives from a variety of Farm Credit functional areas and interstate regions.

5/2014 - 8/2014 INTERN - BUSINESS TECHNOLOGY FARM CREDIT MID-AMERICA

Louisville, KY

Infrastructure

- As a primary project: conducted a major Cisco server firmware update for over 90 field offices in Kentucky, Tennessee, Ohio, and Indiana
- Managed the virtualized desktop and server environment with VMWare VSphere.
- Gained a rudimentary understanding of Microsoft PowerShell.
- Assisted in the implementation of video teleconference equipment and software for all Farm Credit field offices in Kentucky, Tennessee, Ohio and Indiana.
- Successfully presented results of project implementation to the CEO, CIO, VP of Infrastructure and representatives from a variety of Farm Credit functional areas and interstate regions.

8/2010 – 8/2013 U.S. MARINE CORPS, U.S. CENTRAL COMMAND, COMMANDER'S COMMUNICATIONS TEAM

Tampa, FL

Advance and Primary Communicator

- Provided secure communications for the U.S. CENTCOM commander and deputy commander to the President of the United States, Secretary of Defense, senior civilian and military leaders, warfighting commanders and foreign dignitaries over a period of three years at split based headquarters in Tampa, FL and Doha, Qatar along with 21 other countries in the U.S. CENTCOM Area of Responsibility.

- Led multiple critical missions as the primary communicator for the deputy commander of U.S. CENTCOM, solely responsible for all secure communication requirements ensuring no-fail operations.
- Coordinated extensive preparations with U.S. embassies across the Middle East, Europe and Asia, establishing remote sites with a secure communications network capable of supporting dozens of users in often austere environments.
- Operated alongside members of each sister armed service for three years, successfully completing over 365 cumulative days of no-fail, executive communications for the most critical military leaders in the United States in support of Operation Enduring Freedom, Operation New Dawn, Operation Iraqi Freedom, and countless critical missions and exercises with significant impacts to foreign policy and national security.
- Maintained over \$2.04 million in communications assets for U.S. CENTCOM.

4/2010 – 8/2010 **2ND MARINE AIRCRAFT WING G-2, 6TH SPECIAL SECURITY COMMUNICATIONS TEAM** Cherry Point, NC
Non-Commissioned Officer-in-Charge

- Supervised the professional and personal development of 13 Marines.
- Led the daily operations of the 6th SSCT, maintaining the top secret, secret, and unclassified automated intelligence systems interfacing with the II Marine Expeditionary Force and 2d Marine Aircraft Wing (MAW) subordinate units.
- Crucial in liaison between 2d Marine Aircraft Wing G-2 and Navy & Marine Corps Intranet representatives, as well as with 2d MAW G-6, resulting in improved intelligence systems capabilities for the G-2.

4/2007 – 4/2010 **2ND MARINE AIRCRAFT WING G-2, 6TH SPECIAL SECURITY COMMUNICATIONS TEAM** Cherry Point, NC / Iraq
Non-Commissioned Officer and Systems Marine

- Deployed to Al Asad Air Base, Iraq in support of Operation Iraqi Freedom including maintenance of all secure automated intelligence systems, implementation of new networks, and overcoming logistical challenges associated with this environment.
- Spearheaded testing on new mobile platforms for global, secure satellite communications with industry leaders.
- Conducted quarterly security inspections for 2nd Marine Aircraft Wing (Forward), and Marine Air Group 26 as the 2nd MAW Security NCO.

ACTIVITIES

2014 – Present **CARDINAL eSPORTS CLUB, Founder / President**

- Coordinate all Cardinal eSports Club (CeSC) activities and events for the RSO.
- Lead the CeSC executive team and guide the strategic direction of the club.
- Developed partnership with Louisville gaming entity LanWar, Inc.
- Drafted organization's constitution and, with partners, earned our position as a recognized University club; the first of its kind.

2013 - Present **STUDENT VETERANS ASSOCIATION, Member**
